

# Bipartisanship is Possible Anywhere

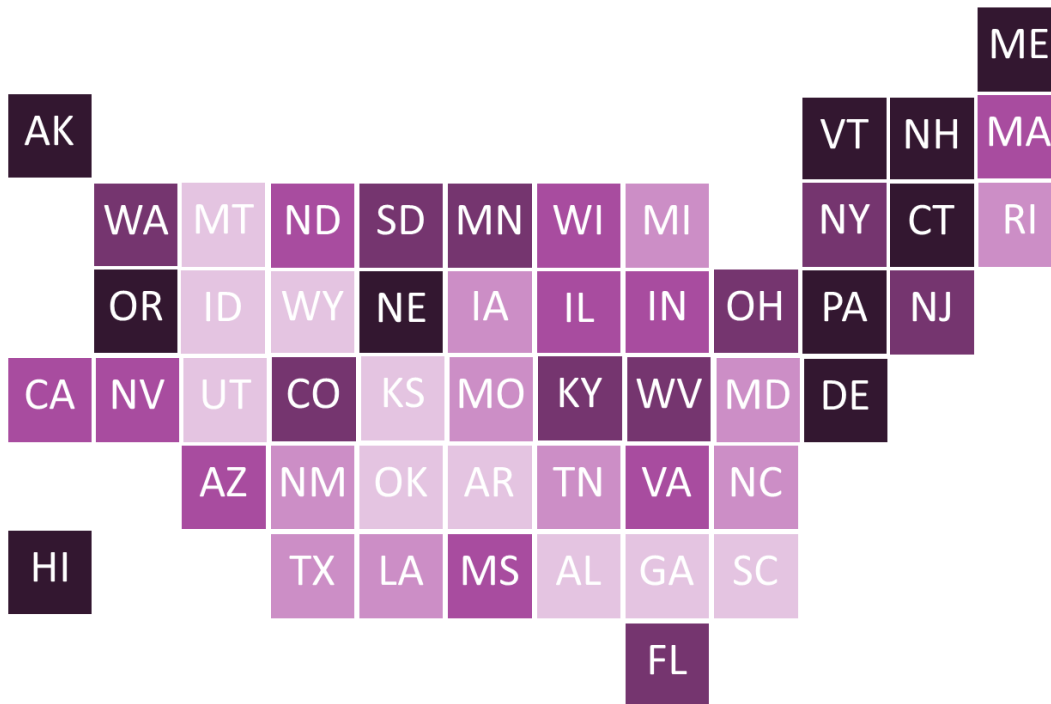

*The more bipartisan the state's congressional delegation, the darker the color. Some of the most bipartisan states (such as Nevada or Colorado) were adjacent to those least bipartisan (like Utah or California).*

*Bipartisan Index, 114<sup>th</sup> Congress (Overall)  
(2015-2016)*

*Bipartisan Index, 114<sup>th</sup> Congress (Senate)  
(2015-2016)*

*Bipartisan Index, 114<sup>th</sup> Congress (House)  
(2015-2016)*
